

## Stats Tool for Pisces

### Running a Search

The screenshot shows the "Pisces Search" interface. At the top, there is a search bar with a "Pisces" dropdown, a "Customer" dropdown set to "all", and a "clear" button. Below this is a "From" date field set to "06/01/2019" and a "To" date field set to "06/30/2019". A large blue button labeled "Get Stats" is prominent, with a callout "3" pointing to it. Below the "Get Stats" button are three smaller buttons: "Show All Sessions", "Show User Usage", and "Download Report". A callout "2" points to the date range fields. Below the buttons is a "Service Usage" section with a toolbar containing "Copy", "CSV", "Excel", "PDF", "Print", and a refresh icon, with a callout "4" pointing to the toolbar. Below the toolbar is a table titled "Breakdown by service" with columns for "Type", "Sessions", and "Time".

Type	Sessions	Time
One-On-One Session	15	00:51:34
Online Meeting	5	00:07:18
Pisces Dropped-Off Paper	5	00:10:54
Pisces Dropped-Off Question	0	0

## **New Report: Sessions by Leader**

---

There is a new report that will let you see, for each leader, how much time that leader spent with a one-on-one room open, how much of that time was spent interacting with a student, the number of dropped-off papers and dropped-off questions the leader provided feedback on, and the time spent providing feedback for dropped-off papers and questions. This report also lets you view each leader's sessions. To access this report, go to <https://reports.link-systems.com/reports/wbtutor/productivity>.
