

EMPOWER ACADEMIC CONNECTIONS WITH

# PISCES™

ONLINE ACADEMIC COLLABORATION

When students need help but cannot visit campus, Pisces gives campus staff online options. Pisces supports DE faculty requirements for regular and effective contact and accreditation requirements to provide online students with services comparable to those offered on campus.

## Benefits of Pisces online collaboration tools:

### EXTEND CAMPUS REACH

- Tutoring & SI
- Office Hours
- Advising & Mentoring
- Coaching
- Group Projects
- Success or Recovery Workshops

### LIVE & DROP-OFF MODES

- Private, 1:1 live with queuing
- Live group meetings
- Question and paper drop-off
- Academic-centric tools
- Session recordings, including breakout rooms

### OFFER PERSONAL SUPPORT

- Convenient scheduling
- On-demand reports and data
- Referrals to target intervention
- Add NetTutor® online tutoring or NetTA™ assignment grading to aid campus-staffed efforts

### SAFE & ACCESSIBLE SPACE

- Secure integration for authentication and single-sign on
- FERPA-compliant
- Accessibility policy includes VPAT
- Live lobby accessible to all users

“

*Pisces provides the best platform for online communication and conferencing – the pre-conditions for collaborative learning. The development team at LSI is rooted in the concerns of educators and informed by continuing research into ways to facilitate online learning.*

”

- STAR-NY Executive Director
